CONCERNED ABOUT ATTENDING AN EVENT?

Here are some of the changes we've made to make events at Empower Field at Mile High safer for our guests!

•**Social Distancing:**

- Reduced capacities in each event space, restroom and elevator
- Extensive signage for proper mask-wearing, social distancing and COVID-19 symptoms
- Signage indicating designated entrances, exits & (when necessary) event flow

•**Staff:**

- All staff are COVID trained and have additional COVID training specific to their jobs
- All staff, event hosts and vendors must pass the same screening as guests before entering

•**Building Upgrades:**

- UV-C lights installed on escalators to reduce bacteria
- Upgraded to more efficient air filters and added bipolar ionization to our HVAC system to improve air quality and flow
- Over 500 touchless hand sanitizing stations added throughout the building
- Upgraded restrooms to be entirely touchless, including toilets, sinks, soap and paper towel dispensers
