welcome

I'm so excited to be a part of this amazing preschool team! I love spending time with kids and love the 'Ah ha' moments they have when learning something new. It brings me so much joy. Can't wait to spend time teaching with all your kiddos.

a little about me

I'm a born and raised Colorado native. Grew up in Castle Rock...GO DC Huskies! I've been a stay-at-home mom for the past 4 years with my twin girls Peyton and Blake. Real estate has been my passion for the last ten years. I truly love helping people. I'm so excited to be able to turn that passion into teaching kids. I love to cook, travel and play golf in my "free" time lol!
