

Butterfly Class- May News

It is hard to believe the end of the school year is almost here! The close of the year is always bitter sweet. I am so proud of how far all the kids have come this year both in terms of their academic skills and their social and self-help abilities. I know that they are all going to thrive in Kindergarten but Jamie and I sure are sad to see them go. For the last few weeks of school we will be focusing on reviewing letters, practicing rhyming, counting and building up our fine motor endurance. We are also going to be having lots of fun! Our theme for May will be camping. Camping is a topic the kids always love and have a lot of fun with. Please check Class Dojo for upcoming important dates such as graduation, field day, and muffins with moms.
