Ms. Mollie

welcome

I am so excited to be sharing in your child's learning this year! Early Childhood is truly a time of amazing growth. It is such a privilege to be a part of your child's journey.

I first started working in ECE 18 years ago. I have worked as an Assistant and Lead Teacher and worked for several years as a Center Director. The classroom is where I love to be. I hold a BA from Metropolitan University of Denver. I also completed both a Lead Teacher and a Large Center Director certification program at the Community College of Denver.
