

Technology Fee 2017-2018 Fact Sheet

Introduction

In 2012, Elizabeth School District implemented a \$25 technology fee for all students. This fee helps Elizabeth Schools maintain technology resources and meet ever-increasing demands for student achievement at a time when budget constraints continue due to reduced funding from the state.

The following highlights the deployment of technology at each of our schools for the 2017-2018 school year.

Elizabeth HIGH SCHOOL

- 60 Dell Chromebooks for math department
- 2 Chromebook carts to house new chromebooks
- New server for security cameras
- Replacement of 1 video camera
