Classroom Information

Happy love and friendship month! February is going to be filled with lots of conversations about friendship, what does it mean to be a friend and what does love feel like to you? We will be reading Rainbow fish, love monster as well as Happy Valentine's day Mouse. We have our class party this month on Thursday February 13 10:00-11:15. We would love to have as many parents join us. The kids really do love having Mom and Dad there to show them all the fun things in the classroom. Thank you to those that signed up to volunteer to bring items, we truly really appreciate all that you parents do for us. The second segment of the month is all about PETS! We would love to see pictures of pets you have at home. We will be talking about being responsible and relating this to companionship and friendship as well.
