Ms. Jessica

welcome

Welcome to the Toucan Preschool Classroom. In our classroom we believe in building strong relationships with our students and their families. We offer an all-inclusive classroom that supports social skills, and we provide daily one on one time to support each child with individual developmental needs. We encourage creativity and expression through music, art and play. Various learning opportunities are provided to support our students academically. Zoo phonics and Handwriting Without Tears are fun interactive curriculums that we use daily.

a little about me

Early Childhood Credential Level 3

This is my sixth year of teaching preschool, and I absolutely love it! I enjoy taking classes to be the best teacher and role model for my students that I can possibly be. I currently have my CDA certificate and in the future, I would like to continue my college education in Early Childhood Education to obtain a Bachelor of Arts degree in early childhood education. This is a long-term goal of mine.

I have been married for 19 years and I have 2 amazing daughters that attend EHS. My oldest will be graduating in May. My youngest will be a sophomore. We live outside of Kiowa on 73 acres, and we have several animals that are very loved.

Fun fact: I was a veterinary technician for several years, before my preschool adventure.

my favorites

Food: Sushi

Soft Drink: Coke

Book: "I Wish My Teacher Knew"

Sports Team: Colorado Nuggets

Fast Food: Chipotle

Colors: Blue & Green

Candy: Chocolate & Carmel

Season: Fall

Hobbies: Gardening, Paddle Boarding, attending concerts, spending time with my friends, family and our various pets...my favorite is Duke, our Rottweiler, but don't tell the others.
