May 2025

UPCOMING EVENTS

May

5/5- Teacher appreciation week

5/12- Graduation

5/15- PJ day

5/21- last day of school

Classroom Information

Oh my goodness friends and families this school year has been so lovely all of your kids have changed our lives and brought us so much joy we can only hope to have left the same impression on them. The excitement for learning and the wonder they bring is so refreshing and the honor we feel to give them the building blocks of learning is outstanding. As we approach the final 2 and a half weeks of school we are brushing up on our first steps into reading and our big leaps into kindergarten readiness. It will be such a wonderful last few weeks with the kids and we have lots of fun activities planned and we are so thrilled for the aquarium field trip. Please feel free to reach out with any questions and concerns as we finish our year!

:
