

## meet Ms. Inez

### welcome

Early childhood education is building strong relationships with students, families and community this will lead to more supportive learning environment for children. Focusing on social and emotional will help with making friends and working together. Also working on fine and gross motor skills.

### a little about me

Early Childhood Director Credential

I have lived here in Colorado since 2005! I have worked for the Elizabeth school district since 2009 and have been teaching at Running Creek Elementary Preschool since 2015. I am lead teacher qualified and director qualified. I also have worked with infants, toddlers and school age children. I'm so excited to meet the students and preschool families. Teaching is my passion and I love being here for the students and families of our community. I have been married for twenty years and also have children of my own. I love spending time with my family, friends and my fur babies.
