Ms. Clancy

welcome

I am Clancy and I have 2 years of experience in Early Childhood education. I am passionate about teaching children and love watching them grow. The most exciting thing about my job is watching their minds work and how they figure things out. I truly enjoy helping them learn in every aspect, whether it's counting or how to do things more independently.

a little about me

Outside of work I am a mom to an amazing 5 year old boy, Everette. I am in school for interior design, projected to graduate within the next year. I enjoy hanging out with my boyfriend of two years, hiking, camping, and playing video games when I can.
