6th Grade Elective Class Options

Intro to Art 6

Practice your basic art skills in drawing, painting, sculpture and more. We will work on many different projects using various materials and grow your art knowledge. Discover which art forms you want to explore!

Beginning Band 6 *Year Long Class**

Come learn to play a musical instrument! Woodwinds, brass, or percussion, it's your choice! Learning to play a musical instrument is a fun skill you can enjoy for the rest of your life, and it can all start here! Come join our musical family! There will be two required evening performances per semester.

Beginning Orchestra 6 *Year Long Class**

Come learn to play a string instrument! This course will cover the basics of playing Violin, Viola and Cello. There will be two required evening performances per semester.

Choir 6

Come explore choral singing! Even if you think you can't sing, this is the place to discover your talents and harmonize with your peers! There will be two required evening performances per semester.

Drama 6

Want to be an actor? Learn about the stage and how to perform both in groups and on your own! Perform your own stories, learn theatre terminology, how to improvise, and memorization techniques!

Computer Exploration and Expression

Explore the problem-solving process and the different ways humans and computers solve problems, discover the languages powering the web to build your own websites, and learn programming languages in order to build interactive animations and games.

STEAM 6 Introduction to Engineering

Interested in Science, Technology, Engineering, Art, and/or Math? Then join this class and explore hands-on projects that help improve problem-solving and critical thinking skills. All projects integrate the Engineering Design Process which allows students to creatively explore STEAM and develop invaluable skills focusing on leadership, team building, creativity and communication.

Sports & Games 6

Sports & Games is a semester long physical education class that will focus on a variety of traditional sports and large group games. Sports may include basketball, volleyball, soccer, flag football, softball, wiffle ball, and some aspects of track & field. Games may include team handball, speed-away, ultimate frisbee, wiffle ball, capture the flag and combatives. Emphasis is placed on participation, teamwork, game rules, strategies, sportsmanship and fair play. This is a new and exciting opportunity for EMS students that love to participate in sports and games as a means to improving their overall health and fitness.
