

Running Creek ELEMENTARY SCHOOL

All members of the **Running Creek Elementary** community respectfully collaborate to build and promote individual achievement and growth in a safe and engaging environment.

Running Creek offers a comprehensive preschool-5th grade education. Kids Club offers before and after-school care and a summer camp program.

We welcome you to visit Running Creek to experience our inviting, caring and engaging learning environment.

At **Running Creek Elementary**, our priority is ensuring each and every student feels cared for and important.

We respect the individuality of each of our students and build on their individual strengths. Our staff is dedicated to cultivating a greater love of learning while developing social, emotional and academic growth.

Our Positive Behavioral Intervention and Support (PBIS) program, ROAR, encourages our students to demonstrate **Respect, Own It, Act Safely** and be **Responsible**. Paired with our instructional strategies, ROAR sets the stage for student success and achievement.

Literacy is fundamental for life-long learning and we actively monitor our students' progress and provide additional support and instruction for students as needed.

Each week our students enjoy music, physical education, technology (S.T.E.M), art and library with a certified teacher.

We value our involved and supportive parent community and all they do to enhance the success of our school and students.
