Recruitment of Superintendent

The appointment of a superintendent is a function of the Board. The Board will take steps to find the person it believes can most effectively translate into action the policies of the Board and the aspirations of the community and the professional staff.

The Board may seek the advice and counsel of interested individuals or of an advisory committee, or it may employ a consultant to assist in the selection. It may also, at its discretion, determine that an external search is not necessary due to a qualified internal candidate. Final selection rests with the Board after a thorough consideration of qualified applicants.

A vote of the majority of Board members present at a Board meeting for which due notice has been given of the intended action is required for the appointment of the superintendent.
