Dear Douglas Bissonette,

Thank you for submitting your application for the Safe Schools Reopening Grant. This was a highly competitive process as we had approximately \$15,000,000 available for awards, and we received over \$21,000,000 in requests. Congratulations! Your application has been approved in the amount of \$50,496.

Our records show that your application's Approval and Transmittal form has yet to be submitted. Once this form is submitted to ssrg@cde.state.co.us, you will receive your award documentation. Note: all funds must be expended by December 30, 2020. If capital expenditures were included in your application, please note that those improvements/installations must be installed and operational by 12/30/2020 to be allowable.

Reporting will also be required for this award, just as the other CRF awards (4012 and 5012). We will email the report to the awardees and it is required to be returned before January 4, 2021. We have no leeway on this report. In addition, any amounts not expended by 12/30 will be required to be returned to CDE.

We thank you and your team again for submitting your application and for the hard work you do on behalf of the students you serve. Please feel free to contact me if you have any questions. I would be happy to provide additional guidance.

Sincerely,

DeLilah Collins
