7.0 COMMUNICATIONS

7.1 Superintendent Update
Superintendent Bissonette provided an update on the successes of the EHS sports teams. EHS women’s cross country team placed 3rd at league and will go to state. The softball team made it to the final four this year and football (if they win this weekend) will qualify for the state tournament and will win the league championship. Gymnastics team is progressing through the state championship bracket as well. In other news, ESD was part of a group who was awarded a $2 million grant (Sync-up Colorado) which brings together employers and school district to open opportunities in the health care field. Lastly, Douglas shared how he is working to update the teacher salary spreadsheet that he has been reporting on for years. The sheet shows the base salary in the different school districts related to the cost of living. Showing the gaps between teacher salaries and cost of living in the state of Colorado. This information is requested by many organizations and will hopefully be used to start discussions around change in the state.
