During the BOE Business Session, time will be provided on the agenda during public comment for any resident of the district to address the BOE. Public comment is an opportunity to present brief comments or pose questions to the board for consideration or follow up. Each person is asked to focus their remarks to three minutes. The boundaries are designed to help keep the meeting focused and in no way should limit conversations beyond the board meeting.

Times indicated on this agenda are estimates, actual times may vary.
