Motion Moved by Director Guttenberg
Motion Seconded by Director Karcher

ROLL CALL:
Director Paul Benkendorf - aye
Director Kim Frumveller - aye
Director John Guttenberg - aye
Director Carol Hinds - aye
Director Cary Karcher - aye

The motion carried 5-0

6.0 EDUCATION SHOWCASE
No Education Showcase

7.0 COMMUNICATIONS
7.1 Expanding Concurrent Enrollment Opportunities
Janet Crenshaw, Elizabeth High School Counselor, presented the new concurrent enrollment requirements to the Board. New legislation for the upcoming school year will require schools to fund any student who qualifies for concurrent enrollment. It was recommended that the school create its own qualifying statement. That statement was drafted and the school is waiting on legal counsel to review. Discussion was had regarding the requirements and options for students at Elizabeth High School.

7.2 Financial Update
Director of Finance Ron Patera shared that a Fund Balance Resolution is a state requirement designed to ensure that the Board is aware of the possibility that some funds will use a portion of the Beginning Fund Balance to balance the budget.

Budget discussion included that there is a higher Beginning Fund Balance. This gives the school district the ability to address more capital expenditures and gives the district the flexibility to hire additional staff, if necessary. The additional teachers and paraprofessionals hired this year along with the mandated increase in minimum wage has increased our ongoing expenses which could be a concern on how that can be sustained. The district experienced normal changes to revenue from the state based on enrollment. The on-behalf payment from the state for PERA is required to be put on the books even though it is not actually revenue for the district. The other notable item was the cleanup at the middle school after the water main break. It shows up as an increase in expenses but after reimbursement from the insurance company there is an increase in revenue as well.

Additionally, due to the new Governmental Accounting Standards Board (GASB) statements the Student Activity Fund was changed from an agency fund to a special revenue fund.

Discussion was had about the budget revisions.

7.3 Superintendent Update
Superintendent Bissonette shared with the Board the video that the Colorado Rural Alliance is putting out every Monday morning during the legislative session. It provides useful and current information on what is going on in the legislature relating to rural school districts.
Colorado state law provides requirements to districts for licensed professionals and their evaluations. It is a minimum requirement that all school districts must meet and the state has provided a model system that school districts may use. Over time the state has developed their own performance management computer system and many districts opt to use that. Our district has chosen to develop our own excel tools based on the state system for all of the categories required. Discussion was had about the process and how that data then gets reported back to the state, and the flexibility for the district by using its own tools.

The site visit for the Homegrown Talent Initiative held on January 22 was a success. Benefactors and organizers of that initiative participated in the site visit and included staff, students, civic leaders, and community members. Participants are excited about the chance to provide more opportunities for all of our students. The district is currently in the design phase which will include a graduate profile and an implementation plan.

8.0 CONSENT AGENDA
A motion was made to approve Consent Agenda items 8.1-8.8.
Motion Moved by Director Benkendorf
Motion Seconded by Director Guttenberg

ROLL CALL:
Director Paul Benkendorf - aye
Director Kim Frumveller - aye
Director John Guttenberg - aye
Director Carol Hinds - aye
Director Cary Karcher - aye

The motion carried 5-0
