To: Elizabeth School Board Members  
Dr. Bill Dallas  
Newly Appointed Superintendent, Dan Snowberger  
Kristen Harris  
Elizabeth School District Administration

It is with great sadness that I have come to this decision that effective March 14, 2023, I will be resigning from the Elizabeth School Board of Education.

When I was first elected for my position in 2019, I loved it. I thoroughly enjoyed the meetings and enjoyed the friendships that I gained during that time. Since the election of 2021, the dynamics of our board changed greatly, and not for the better. For my first 2 years we never had a complaint that pertained to personality issues. NOTHING. And now it seems that my days are consumed with constant issues and lies, the lies that never seem to stop.

Before the Superintendent Appointment, I received numerous amount of emails all stating the same thing, that there is speculation the Board is caving to pressure from local Democrat activists and using the meeting to back track from the decision and settle for the current Interim Superintendent who does not have any conservative credentials, no experience as a Superintendent, no community support and no proven leadership skills. This was all lies, there was no pressure from any activists and no intention on manipulating the selection process, but the community sure did like spreading that rumor. I voted for Dan Snowberger and I truly believe that if he is allowed to do his job, without being micromanaged, that he will do an amazing job and I wish him nothing but the best for our district.

At our public comments we have had a large number of people commenting on keeping CRT, SEL and Restorative Justice out of our schools. I couldn't agree more with everyone, I don't believe that anyone within our community or district wants any of this in our schools. Our administration to date has done an amazing job at keeping tabs on it and keeping it out of our schools.

I'd like to Thank the Teachers, Support Staff and Administration Leadership for all that you do, because at the end of the day, we are all here for our kids.

Sincerely,
