Subject: Disposition of District Property

RECOMMENDATION:

To declare a refrigeration unit at FHS as obsolete and approve of its disposal.

BACKGROUND AND FINDINGS:

Pursuant to District Policy DN, the Board of Education for the Elizabeth School District has the authority to dispose of any District property not needed in the near future. District Food Service has a Traulsen commercial refrigeration unit at FHS that is over 20 years old that no longer works, has been repaired numerous times and is now cost prohibitive to further repair. Staff will sell as scrap.

FISCAL IMPACT:

There will not be a fiscal impact.
