REQUEST FOR BOARD ACTION

To: ESD Board of Education
From: ESD Finance Director, Ron Patera
Date: February 5, 2020
Business Date: February 10, 2020
Subject: Town of Elizabeth trail project

RECOMMENDATION:
Approve agreements as presented.

BACKGROUND AND FINDINGS:
The Town of Elizabeth has started work on a multi-use trail project. The project consists of a multi-use trail that would extend through the community. The trail alignment is designed to begin at Casey Jones Park and extend south to Running Creek Elementary School and South Elbert Street.

To assist in this project, IREA will take this opportunity to underground some utilities on district property. The attached easement agreement from IREA will remove the electrical poles in front of Running Creek Elementary School, then underground the electrical to the school, and in turn underground electrical from the school to Harvest Bible Church.

In addition to the electrical lines being undergrounded with the trail in front of the school, as well as the easement the district already granted for the trail on the south side of the school, the Town will be doing pedestrian/crosswalk improvements on Elbert in front of the school. Those might not be complete by the end of this school year, but they will be ready by the new school year.

The easement in your packet has been reviewed by the law firm of Caplan and Earnest LLC. Some changes in the agreement have been implemented due to their evaluation.

Recommended motion:
I move to approve the Utility Underground Access Easement agreement and authorize the Board President and Secretary to sign the easement agreement.

UTILITY UNDERGROUND ACCESS EASEMENT

KNOW ALL MEN BY THESE PRESENTS that ELIZABETH SCHOOL DISTRICT ("Grantor"), for a good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby grant, without warranty, unto THE INTERMOUNTAIN RURAL ELECTRIC ASSOCIATION, a Colorado non-profit corporation and electric cooperative association ("the Association") and to its successors or assigns, a perpetual non-exclusive easement 15 feet in width ("the Easement") for the construction and continued operation, maintenance, inspection, repair, alteration, and replacement of electric transmission, electric distribution, and communication facilities attached to poles or other supports, together with guy-wires, overhead and underground cables, wires, conduits, transformers, manholes, splicing boxes, testing terminals, devices, attachments, and other incidental equipment associated with the utility systems owned and operated by the Association (collectively "the Facilities") located upon, over, under, and across the following real property belonging to Grantor situated in the County of Elbert, State of Colorado, and more particularly described as follows:

SEE EXHIBIT(S) ATTACHED HERETO AND INCORPORATED HEREIN BY THIS REFERENCE

Together with all rights of ingress and egress necessary for the full and complete use, occupation, and enjoyment of the Easement and all rights and privileges of the Easement, including for the installation and maintenance of the Facilities; the right to cut, trim, and remove trees, brush, overhanging branches, shrubbery, and other obstructions within or outside of the Easement that may interfere with or threaten to endanger the operation, maintenance, and repair of the Facilities; to place location markers upon or beyond the Easement to identify any underground Facilities; to open and close any fences crossing the Easement or, when agreed to by Grantor, to install gates and stiles in such fences; and to use that portion of Grantor’s adjoining property to survey, construct, maintain, repair, remove, or replace the Facilities as may be required to permit the operation of standard construction and repair machinery; provided, however, that the Association shall have no right to occupy the surface of the Easement, no right to store or stockpile materials, vehicles, or equipment on the Easement, and no right, except as otherwise provided herein, to make permanent alterations to the grade, elevation, surface, landscaping or surface improvements of the Easement. The Association, at its expense, shall install, maintain, replace, and operate the Facilities with the industry standard of care and in compliance with all applicable laws and regulations, including but not limited to drainage, safety, grading, and construction; exercise all necessary and reasonable care throughout its use of the Easement to prevent loss, damage, or injury to Grantor and to Grantor’s property; and restore the surface of the Easement substantially to its original level and condition. The Association shall repair any damage to the Easement, and to lands owned by Grantor immediately adjacent to the Easement, that is caused by any activity by or on behalf of Association, including, without limitation, subsidence or erosion relating to the Facilities.

The undersigned agrees that all Facilities installed upon, over, under, and across the Easement by the Association shall remain the property of and may be removed at the option of the Association.

Upon request of the Grantor, the Association agrees to relocate its Facilities to another location on the Easement, hereinafter referred to as the ("New Location") provided: (i) the New Location is similar to the Association’s existing location in size and is fully compatible for the Association’s use in the Association’s reasonable determination; (ii) Grantor pays all costs incurred by the Association for relocating the Facilities to the New Location and improving the New Location so that it is fully compatible for the Association’s use, in Association’s reasonable determination; (iii) Grantor gives the Association at least one hundred eighty (180) days’ written notice prior to requiring the Association to relocate; and (iv) the Association’s use of the Easement is not unreasonably interrupted or diminished during the relocation and the Association is allowed, if necessary, in the
Association’s reasonable determination, to place a temporary installation on the Easement during any such relocation.

Grantor for itself, its successors, and assigns, reserves the right to use the Easement for all purposes not inconsistent with the rights herein granted to the Association, hereby covenants that no structures shall be erected upon, over, under, or across the Easement, no combustible material or infrastructure shall be permitted upon, over, under, or across the Easement, and that the Easement shall not otherwise be used in any manner that unreasonably interferes with the maintenace, repair, and replacement of the Facilities or damages the Facilities in any way.

The Association assumes all risk relating to its use and operation of the Easement and, with the exception of loss, damage or injury due to the acts or omissions of Grantor.

The undersigned Grantor(s) warrant that they are the owner of the Easement property and that the property is free and clear of encumbrances and liens of whatsoever character except matters of record.

IN WITNESS WHEREOF, the undersigned have set their hands and seals this _____ day of ______________, 2020.
