7.0 COMMUNICATIONS
7.1 District Health Services
Janet Hatt, District Nurse, shared an overview on the various health services our school district provides to students. These health services allow students with health challenges to attend school. As the one District Nurse for the school district, Janet is responsible for all medical and medication delegation.

7.2 State Assessment Update
Rob McMullen, Principal at Frontier High School and the district's designated assessment coordinator provided an update to the board on testing. The following are the state/federal as well as district assessments.

State/Federal
- CMAS
- PARCC
- ACT
- I-Ready
- Teaching Strategies Gold
- NAEP
- ACCESS for ELL

District
- MAP
- CogAT
- AP

Rob McMullen shared the calendar of the testing window which starts the week of January 12 and concludes the week of May 15. There are very few weeks this spring that do not include some type of testing.

7.3 Chief Financial Officer
During the financial report, Ron Patera, Chief Financial Officer, explained the fund balance is higher than originally anticipated due to one-time revenue that came in. The Board of Education asked to look into the feasibility of taking some of the fund balance to address some of the critical and urgent infrastructure needs. In addition the board asked to look into certificates of participation as a potential avenue to address some of the higher cost issues facing the district such as the roofs and buses.

7.4 HR Update
Kin Shuman, Director of Human Resources stated he expects to publicly post the principal position at EHS in late January. Interviews are likely to occur in mid to late February, extending into March if needed. Kin Shuman will be scheduling a series of meetings in mid-January to hear what students, staff, and community members value in a principal and to understand their views on strengths, challenges, and vision for the future of the school.

7.5 Technology Update
Marty Silva, Technology Director, gave a tech update to the board. Marty Silva is starting a Tech Committee which will meet once a month to discuss technical issues going on in the schools and to look at options and solutions for the tech issues. The committee consisting of mostly of teachers will also promote technology be tech evangelist for their site.

7.6 Superintendent Report
In the Superintendent Report by Douglas Bissonette, a draft calendar for the school year 2015-2016 was discussed. It is very similar to this year, with no significant changes.

Brad Goldsberry, graduated from Elizabeth High School in 2011 is now a big part of MIT's new found football success. Brad was recently named Offensive Player of the Week. Brad is a senior at MIT majoring in Electrical Engineering and Computer Science.
Mr. Bissonette will be starting a student advisory council, including elementary students, EMS students, and EHS students to meet periodically through the year to understand how things are going at the schools.
The district has received over 100 responses to the recent survey on the post-election results. The survey was emailed to all staff and all parents. We are in the process of sending a direct mail postcard to all residents in Elizabeth asking them to complete the survey and inviting them to the Town Hall meeting on January 20. The Town Hall is open to the public and is for interested stakeholders to learn more about the budget and how money is being spent, and for community members to provide feedback on the allocation of resources and cost saving options.

7.7 Board of Education
The board recently attended the CASB convention which was a great opportunity to learn from their colleagues in other school districts throughout the state.
