

REQUEST FOR BOARD ACTION

To: ESD Board of Education
From: ESD Chief Financial Officer, Rebekah Brooks
Date: March 8, 2023
Business Date: March 13, 2023
Subject: Auto Shop Construction

RECOMMENDATION:

Approve agreement with Prism Builds to construct the District's auto shop, including but not limited to site excavation, concrete work, plumbing, HVAC, electrical, building materials, and necessary labor/equipment.

BACKGROUND AND FINDINGS:

The growth of the CTE program includes the addition of the auto program this year. With the addition of this program, we had a huge interest in the program and have been using a modular building for the classroom and working on vehicles in the school parking lot. The Coaction Grant has provided us with the funding opportunity to construct an auto shop that would allow students to have a dedicated area to continue in an improved learning environment.

FISCAL IMPACT:

The total cost of the project, without change orders will be \$357,037.11. This is being paid for through the Coaction Grant funds.
