

# Elizabeth: A growing, thriving school district

Top-rated rural school district known for its student-focused philosophy, located less than an hour from downtown Denver and Colorado Springs

**Great Starts:** High-quality half- and full-day preschool programs.

**Personalized:** Small class sizes give students the chance to thrive.

**Caring Culture:** Dedicated, talented professionals put students first and follow through to meet their needs.

**Career Exploration:** Students start thinking about their futures early so they can learn what they'll want and need.

**Custom Options:** High schoolers get individualized career and/or college prep through certification programs, career pathways, internships, AP classes and concurrent enrollment.

**Student Health:** Significant investments in indoor air quality provide extremely safe and productive learning environments.

**High Achievement:** Rated 4th highest performing district in Denver metro area.\* State tests from the pandemic year show high academic growth levels compared to the state median.
