Think Ahead – College or Something Else?

ELIZABETH, COLORADO, September 6, 2019 – Elizabeth High School (EHS) has been diligently working to provide all high school students and their families with a variety of activities and opportunities to prepare for post-graduation plans. Help your student figure out their future by attending ***Think Ahead: College or Other Options?***, an informative and interactive presentation by Dr. Mark Montgomery of Great College Advice, on Wednesday, September 18, from 6:30-8:00 pm in the EHS Cafetorium. All ages are welcome.

Dr. Mark Montgomery is a caring and compassionate educator with extensive experience in higher education, teaching, and college administration. As a college insider, Dr. Montgomery uses his knowledge of schools and experience as a professor and administrator to help young people decide for themselves which future journey is right for them.

The EHS counseling team has also devised an impressive Fall 2019 series entitled ***Think Ahead Days***, consisting of college fairs, college visits to EHS, field trips to colleges, along with other career opportunities including aviation-related training, agricultural career options, military visits, and more. For more information about the Think Ahead Days and topics, please visit <http://bit.ly/EHSCounseling> or contact jbrooks@esdk12.org or 303-646-1767.

About Elizabeth School District (ESD)

Located about 45 minutes southeast of Denver, ESD is the fourth-highest rated school district in the metro area. Known for its family-oriented culture, student-focused philosophy, and caring staff, ESD students are at the heart of everything. With six schools (Running Creek Elementary, Singing Hills Elementary, Elizabeth Middle School, Elizabeth High School, Legacy Academy, and alternative education campus-Frontier High School), ESD is small enough to ensure each student is recognized and valued, but large enough to provide outstanding academic, leadership, extracurricular, and athletic opportunities.
