Dear Parents,

Easily pay for school fees and activities this year! Create your free MySchoolBucks account to conveniently and securely pay fees with an account online or with the mobile app.

While school meals are free, there are a handful of additional meal options that require a fee. As a result, all meal related payments/balances and the Free & Reduced Application will remain at PaySchools. Everything else has already began to transition to MySchoolBucks with school fees all being moved over effective October 7th, 2024.

With MySchoolBucks you'll be able to view purchases, check your student's outstanding fee balance, sign up for field trips, and pay for school activities from anywhere!

Get Started Today:

1. Go to myschoolbucks.com or download the mobile app
