

THE ELIZABETH HIGH SCHOOL ALUMNI SCHOLARSHIP

The EHS Alumni association is offering a \$1,000 scholarship to a graduating senior of Elizabeth High School. The scholarship is being offered to any student that will be attending a college, university, or other institute of higher learning.

The applying senior must complete the attached application, submit a short essay on their positive experience at EHS, and submit two letters of recommendation from teachers. The complete applications must be returned to the EHS counseling office by the first Monday in April. If there are several applicants tied for the scholarship, a personal interview may be required.

The senior applicant needs to be carrying a 2.8 or higher GPA. They need to be involved in EHS activities, as well as show some community involvement.

The recipient of the scholarship will be recognized during Awards Night at the high school. The recipient will be expected to attend the Alumni dinner held on the first Saturday in June. We would encourage the senior, at that time, to give us a quick history on their experience at EHS and bring us up to date on their higher education plans.

The funds for the scholarship will be forwarded directly to the institute in January of the following year after the association has been provided with confirmation that the student has completed the first quarter, semester, or leg of their study with satisfactory grades.
