

Elementary School Gifted and Talent Pool Parent Night

September 2017

Gifted and Talent Pool

- Gifted—3 qualifying pieces of evidence at 95th percentile or advanced/exceptional level
- Talent Pool—1 or 2 qualifying pieces of evidence
- Talent Pool students receive the same programming as gifted students in the content areas while more data is collected or it is determined that such programming is not meeting the students' needs.
- Students can be identified gifted in one area and in the Talent Pool for another area.
- A talent development model is used in the areas of Music, Visual Arts, Drama, Creativity, Leadership and Dance. Students are referred to this Talent Pool by the fifth grade for access to related talent classes at the middle school. Identification occurs formally in grade 8.
- Parents may refer their child for gifted identification by filling out the parent referral form that can be found on our website and returning it to the school's gifted education liaison.

Programming

- Differentiation in their classrooms using Depth & Complexity Framework
- Math and Language Arts differentiation agreements
- Extended Learning Time
 - Advanced Learning Plans—written, monitored and completed
 - Intellectual peer interaction
 - Renzulli Learning System for individualized, interest-based learning every other Monday for 45 min.
- STEAM Camp June 4-8, 2018 at Singing Hills Elementary
- Regional Events
 - Grades 3-5:
 - October 6- 1 p.m. Limon
 - Feb. 9- 1 p.m. Sterling
- Western Academic Talent Search <https://www.centerforbrightkids.org/>

Colorado Gifted Education Review March 5-6, 2018

- Surveys will open November 1-15, 2017 for parents, teachers, students and administrators.
- Collaborative Council will meet November 20, 2017 to analyze data for growth and program elements still in need of improvement with additional meetings to be determined by the council.
- Based on desk audit, the review team may ask to conduct focus groups with stakeholder groups on March 5, 2018.
