

# the ART Club

---

## **What is the EHS Art Club?**

EHS Art Club is club where students can expand their creative horizons as artists. Students work together to create unique and fun art pieces for their own personal use, for art classes or for the Air Academy Art Show in the spring every year. We meet once month for 2 hours eating pizza, socializing and listening to music.

## **Why or how would a student benefit from the Club?**

Students not only expand their creative horizons, but they can learn about scholarships, awards and other art shows available to help build their art experience. Students can also enjoy networking with other local artists and learn more about the professional side to the art industry.

## **What is unique about your particular Art Club?**

We only meet once a month which helps students who work or are in sports, other clubs or organizations. We meet for 2 hours which is a good amount of time for students to concentrate on art pieces, but isn't too long. We eat pizza, listen to music and just have fun socializing while creating masterpieces.

**When:** First Tuesday of Every Month

**Time:** 3:15-5:00pm

**Where:** Art Rooms

**Cost:** \$27 for the year

Make Checks out to EHS Art Club- Remember to put license number at the top of checks
